Dear Ms. Haas:

I am writing in response to a letter from Chairman Deutch and Ranking Member Marchant of the House Ethics Committee asking me to submit the necessary amendments to my 2017 and 2018 Financial Disclosure Statements.

Specifically, more information was needed in Schedule A-3c, including a brief description on the following business entities:

**RedKing LLC:**

A partnership with 2 of my brothers, Robert and William, where I am 1/3 owner of rental homes in the Twin Cities area.

**Stauber Brothers LLC:**

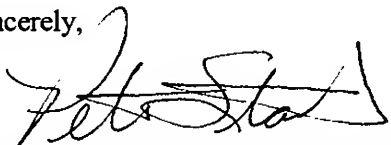

A partnership with my brothers John, James, Robb and William. This is a retail hockey store which we have owned for 28 years. The name of the store has changed to "Duluth Hockey Company". This name change occurred only three years ago.

**Harborview Homes:**

This business is an LLC. This is also rental property I own with two other business partners, Matt Gannucci and Tyler Nyhus. Currently we own two rental properties.

Please let me know if you need anything further in this or any other matters regarding my Financial Disclosure Statement.

Sincerely,

Representative Pete Stauber (MN-08)
